Hey Steve,

**Personal Matters/Ex. 6**

**Personal Matters/Ex. 6** I'm sitting here with Brobst trying to run down some technology stuff, he's not crazy about blue sky waters. I'm going to hook Bob up with ERT to help run down some full scale systems.

Hi Richard – Here is the SOW for the new Task Order for this incident. There is not enough money obligated to the ERRS contract to cover it. We want to allocate \$500,000 but there is only approximately \$200,000 available. I left a voicemail for Mandi Rodriguez to see if she can assist in preparing a PR to obligate more funds to the contract. I will let you know as soon as the PR is underway. Thanks!
